## How do I download, install or Uninstall Lunapic.com from my computer?

Lunapic is an online application that can not be downloaded to your computer. It can not be installed on your computer other than bookmarked or shortcutted. It can not be uninstalled, because it can't be installed in the first place.

If you've uploaded a file in error, you may [Close and delete](#) the image from our servers.

If you've signed up for an account with us, it has been deleted.
